

The Dorn Method Advanced (level 2)

Course Duration 2 days 16-18 hours

What you will learn:

This course builds on the level 1 training and furthers your understanding of The Dorn Method and its application. The basic skills will be revised your technique assessed and your skills will be taken to an advanced level. Once we have re-established the foundational techniques, advanced techniques are taught for all the joints of the body. Students will have the opportunity to present their case studies to the class and we will dissect them and offer treatment suggestions.

Prerequisites for this training Students must have completed Level 1 training with either the DMAA or ATMS and have had some clinical experience using The Dorn Method.

What we will cover:

- Advanced Dorn techniques for all the joints of the body
- Advance Lying posture techniques
- Advanced techniques developed by Dr Jason Mallia
- The treatment for complex cases such as Scoliosis and their self help exercises
- Treatment of complex Lower back pain presentations using and integrated approach
- Dorn Therapy for Children
- Dorn Therapy for animals
- Dorn Method for pregnancy
- The Breuss Massage for use with the Dorn Method
- How to treat emotional issues using the Dorn Method
- Learn how to implement treatment plans
- Integrative Case studies
- Integrative Soft tissues treatments and the Dorn Method

Students how pass the verbal and written exam will be listed on the Dorn Method Website
